The diagram illustrates the evolution of AI business models over time, from 2015 to 2025. At the top, a timeline shows the years 2015, 2020, and 2025. Below this, a central flow of business models is depicted: AI (2015) leads to Q and T (2020), which then lead to SDK (2020). From SDK, the flow continues to AI+I T (2025), AI (2025), A (2025), OEM A (2025), A (2025), and finally SDK (2025). A bottom section features a large '4' and the text 'AI'.
