

The figure displays a large grid with 20 columns and 10 rows. The columns are labeled A through T, and the rows are labeled 1 through 10. A single red dot is positioned at the intersection of column A and row 1. In the bottom right corner, there is a small table with the following structure:

Table 1	
Column 1	Column 2
1	1
2	2
3	3
4	4
5	5
6	6
7	7
8	8
9	9
10	10
